1999 NORRIS PIG DINNER A SUCCESS!

The 1999 Norris Pig Dinner held on Saturday, March 27, was a great success. The Lambda Iota House Corporation and the Alpha Graduate Chapter met in the afternoon followed by a reception and dinner in the chapter house. Archon Treasurer Marvin J. Carver III (North Carolina '75) was the featured speaker.

Members of the Class of 2002 bring in the pig during the 1999 Norris Pig Dinner, celebrating 97 years at Purdue University.

Justin N. Jancaric '02 kisses the south end of the pig and Dr. Hugh H. Steele (Iowa '33) addresses the north end of the pig as the youngest and oldest Fijis in attendance carry out a 106-year-old tradition started at the University of California in 1893. Looking on are Justin J. Botos '00, standing, and seated left to right are N. Rick Morrissey '77, R.J. Rudolph '77, Nelson M. Parkhurst '38, R. Joseph Rudolph '48 and Dr. Jack E. Goris '76.

Charles M. Horner '51 and Richard L. Stafford '51. In attendance to be recognized for 25 years of membership were R.J. Rudolph '77 and N. Rick Morrissey '77. Certificates will be mailed to graduate brothers from the Class of '51 and '77 who were not able to participate in this year's festivities. All brothers young and old had an enjoyable day reminiscing about past days and celebrating new accomplishments of the current chapter. ♦

WILLIAM E. KASSLING '67

NAMED 1998 KRANNERT SCHOOL OF MANAGEMENT

DISTINGUISHED ALUMNUS

William E. Kassling '67 has been serving as chairman and CEO of Westinghouse Air Brake Company (WABCO) since 1990. Previously, he was vice president, group executive of Railway Products Group at WABCO for American Standard Inc. He began working for American Standard in 1978.

During his career, Kassling has worked for Clark Equipment Co., Boston Consulting Group and Parker Hannifin Corp. and was an officer in the Navy.

He received his bachelor's degree in industrial management from Purdue's Krannert School in 1967 and an MBA from the University of Chicago in 1970.

Bill has been an active contributor to the Center for the Management of Manufacturing Enterprises, and WABCO has hosted student participants in some of its Kaizen quality improvement efforts. He has also been a Krannert Executive Forum speaker. In 1998, the School named him to a term on the Krannert Dean's Advisory Council. Kassling also serves on the boards of Aero Corp., Commercial Intertech, DRAVO Corp., Historical Society of Western Pennsylvania, LaRoche College and Scientific Atlanta Inc.

WABCO is North America's largest manufacturer of value-added equipment for locomotives, railway freight cars and passenger transit vehicles. Their product line includes electronic controls and monitors, air brakes, couplers, air conditioning, door controls, draft gears and brake shoes.

Our congratulations to Bill Kassling. Lambda Iota is proud to call him brother. ♦

CHAPTER HIGHLIGHTS

By Steven Prifogle '99, Archon Councilor

1998 proved to be a very productive year for the brothers at Lambda Iota chapter. The year was started on a positive note when the chapter received the Most Improved Indiana Chapter of Phi Gamma Delta award at the State Day convention in February. This award is based on scholarship, social service, intramural activities and overall accomplishments and improvements.

In April, our seventh-place finish in the Purdue Grand Prix Go-Kart Race concluded the school year. This was the first top-ten finish earned by the Phi Gams in recent years and helped to add an exclamation point to the end of the spring semester.

Over the summer, Lambda Iota sent three delegates to the 150th Anniversary Ekklesia in Pittsburgh. This was a monumental meeting, not only because it enabled the members present to celebrate 150 years of Phi Gamma Delta history, but also due to the policies that were developed.

Upon return from summer vacation, the brothers at 640 Russell were filled with energy, and excited for another great Boiler football season. We were lucky to have a great turnout for Homecoming, which was complemented by beautiful weather and a Purdue victory. The brothers continued to support the team, and several were even fortunate enough to travel to San Antonio to watch the Alamo Bowl and celebrate our victory there.

Throughout last semester, the chapter had performed 225 hours of community service. We helped the local Red Cross, Community Family Resource Center and the West Lafayette Environmental Commission.

The pinnacle of the fall 1998 semester occurred when we received our scholarship report. Lambda Iota moved from a disappointing 27th to an outstanding seventh position, and our GPA surpassed the all-men's, all-fraternity and all-campus averages. Our next academic goal is to earn a GPA that will place us among the top five fraternities.

At the 1999 Beta Graduate Chapter Indiana State Day, the Lambda Iota chapter took home four awards. The chapter was recognized for having the best attendance at the event, received an honorable mention for our Graduate Relations program, and earned awards for most-improved scholastic average and most outstanding rush for taking the largest pledge class at Purdue University.

As you can see, we are steadily improving our chapter and our image at Purdue, and will continue to work hard to ensure that we are as strong as possible when we enter the 21st century! ♦

GREAT RESPONSE AT CHRISTMAS PARTY *A NEW TRADITION?*

By Michael Riebe '00 and Justin Botos '00

Last year we hosted the first of what we hope will be an annual Lambda Iota tradition: the Phi Gamma Delta alcohol-free Christmas party. Invited were the local graduate brothers and their wives as well as neighbors and members of the Purdue University faculty and administration for the December 3, 1998, event. The response was great. All the undergraduate brothers and the members of the new pledge class were joined by National Ritualist William Miller (Zeta '62, Lambda Iota '96) and Purdue Athletic Director Morgan Burke '73. The Fijis also had a very special visit by Purdue University President and Mrs. Steven Beering.

The event began at 6:30 p.m. at the chapter house with light hors d'oeuvres and casual conversation. The house was festively decorated by the pledge class of 2002. After everyone had the opportunity to meet one another and tour the chapter house, we gathered to hear the new pledge class of 2002 serenade everyone. The evening was capped off by a moving solo of *O Holy Night* by freshman Chris Hauska. The Lambda Iota undergraduates and graduates were all very pleased with the evening. The chapter looks forward to next year's Christmas party and more like it. ♦

CHILDREN'S CHRISTMAS PARTY A LONG-STANDING TRADITION ...

Scott Collier '00 and Kappa Alpha Theta Bettie Locke spread a little holiday cheer at the annual Christmas party for children.

CONGRATULATIONS TO ...

Steve Prifogle '99 as he nears completion of his two-year term as Archon Councilor. Steve is the fifth undergraduate to serve in this important position and the only undergraduate brother from the state of Indiana to have been so honored.

THANK YOU, MOTHERS' CLUB

By Chris Dunsmore '99

As always, the Moms' Club has been very busy this year! Recently, they generously donated four nights of snacks during finals week. You'd be surprised how fast 600 wings can be eaten by 80 guys! You also would be surprised how grateful the brothers are to receive these entertaining study breaks sponsored by the Mothers' Club. Special thanks to Susan Dunsmore (and her husband, Buster) for coordinating and delivering the snacks this year.

Also in the fall, Dee Brock and Mothers' Club President Christie Prifogle organized the annual Mother's Club auction. It turned out to be a festive football Saturday event that generated more than \$4,000 for the Mothers' Club. The Mothers' Club works with the undergraduates to find useful ways to use these funds. In the past, we have used Mothers' Club funds for new couches, a new 52-inch television and kitchen supplies. Again, we thank all the parents who donated items to be auctioned and especially the dedicated mothers who volunteered their time that day to make the auction a success!

The Mothers' Club has always been a great way for mothers to get involved with Lambda Iota — and we are truly grateful for everything that they do. Phi Gamma Delta has always been rich with brotherhood, and the involvement of our mothers truly drives home the valuable sense of family closeness that we all feel in the fraternity. Thanks, Moms! ♦

PLANNING A REUNION?

WE CAN HELP ...

Before the reunion we can supply you with:

- A list of graduate brothers from your class or era.
- A set of mailing labels for the above list.
- Publicity in our newsletter, if you let us know far enough in advance.

After the reunion we can publish:

- Your write-up of the event.
- Some of the many photos that you took at the reunion.

(Your photos will be reproduced without alteration and returned to you upon request. Please be sure to identify those in photo from left to right.)

Just mail your reunion information and photos to the *Graduate Records Office, Phi Gamma Delta, P.O. Box 88, Carmel, IN 40632-0088, Attention: Special Features Editor.*

OVER 400 MEN ATTEND RUSH FUNCTIONS

By Carl Margraf '00

This past fall's rush was a great success for the fraternity. A total of more than 400 young men attended three weeks of rush functions at the beginning of the fall semester. Of these 400 men, 35 were extended invitations to pledge the fraternity and 31 accepted. This is one of the largest pledge classes the Lambda Iota chapter has seen in recent years. It also was the largest fall class rushed on Purdue's campus. The success of this year's fraternity rush was due in great part to the participation of our graduate brothers, 13 of whom sent 25 recommendations during this year's rush period. These recommendations helped make up one-fifth of this year's pledge class. The chapter would like to thank all those graduate brothers who sent recommendations. We would, however, like to see even greater graduate involvement in the future. Please do not hesitate to notify the chapter via mail or phone of any possible young men you feel would make quality Phi Gams. ♦

MOST IMPROVED SCHOLASTIC AVERAGE!

By Adam Courneya '00

Many changes have been sweeping through the Lambda Iota chapter this year. Maybe the most noticeable of these changes is our rededication to scholastic excellence.

Jumping 20 places in Purdue's ranks, the Lambda Iota chapter secured the University's seventh position. This improvement earned the Most Improved Scholastic Average award for the chapter at Indiana's Fiji State Day.

The active chapter now claims an overall GPA of 2.856. The combined chapter and pledge class GPA was above the all-men's, all-fraternity and all-campus averages. With over 80 members and pledges included in this average, Phi Gamma Delta is the largest fraternity in Purdue's top seven. ♦
